Dear Central Cal,

Camp Meeting has come and gone! We enjoyed a tremendous time of fellowship, vibrant worship, anointed preaching and good old fashioned altar services. Pastor Franklin blessed us each night with outstanding sermons that stirred our hearts and ministered to our needs. I am also very excited about the success of all of our youth camps. Robbie and I were so excited to be able to help both in getting the camp ground ready and to assist Ray and Dana as much as possible. Ray and Dana worked very hard to put together camps that were a huge success. We are blessed to have such dedicated leaders. Ray reported that about sixty were saved and about one hundred were filled with the Holy Ghost. Thank you, Jesus!

Another summer is quickly coming to an end. I'm looking forward to a two week vacation where my family and I will enjoy a much needed rest. There is nothing so great as family time. I'm scheduled to caddie for my son, Alec, on August 8th and 9th. He will be playing in his first Jr. Golf tournament. Yea! Go Alec! At fourteen he out drives his dad on a regular basis. I'm so proud of him. This kid is good! Our family will spend time together and get a lot of much needed rest.

I value my wife and children. They are a gift from the Lord to me. I have another family that I value, and that family is you here at Central Cal. I pray for you and your success every day as you pray for me. As leaders we will always face challenges they never seem to end. Always remember that God has promised that he will never leave us nor will he ever forsake us. John Quincy Adams said this about challenges, "Patience and perseverance have a magical effect before which difficulties disappear and obstacles vanish." Knowing that God is for us forces us to remain. It also helps us to be patient and persevere.

Thank you for praying for my family, we are here for you. We will remain on duty with you to see the lost come to Christ. I can't thank you enough for your prayers and phone calls of encouragement. I thank the Lord for my family in the PCG of Central Cal.

Please enjoy the eNews and make sure to click on the Bishop's Trek Picture link. If you know of anyone who needs a District email address or anyone who would like to get on the list have them email me or call the office. I will be happy to get the eNews letter to them. It's all about communication.

I sure wish that I had more information regarding the National move to Dallas but the truth is that we still have not heard. As soon as I hear anything about the move I will be sure and let you know. Keep checking your district email box.

Always remember, if you ever need anything or have any questions please feel free to call me anytime. I look forward to seeing you soon. God bless you for all that you are doing for the Lord.

Remember it's all about souls,

Thank you so much for your faithful commitment to our district. You are loved and valued. Those who have succeeded at anything and don't mention that they had help along the way are only kidding themselves. I take notice that we would not be as far as we are today without your loyalty, hard work and your financial support. Thank you for your help.

I am open to any suggestions that you have regarding this eNews letter. Please feel free to email me with suggestions or information for future additions.
